Dear **Ronald McDonald,**

I'm so sorry, but I won't be able to make it today! I was just making my way out when my **shoe** began to break down. Luckily, I was close. But to make matters worse, as I was in the middle of **swinging** my way inside, **500 monkeys** attacked me! I just managed to escape, but I promise I will make it next time and hope we can reschedule!

Best regards,
Victor
